

Mayflower Heritage Christian School

2011-2012

Kindergarten Parents,

To begin school in Iowa you need the following items:

- Copy of birth certificate
- Immunization record
- Lead Screening
- Dental Screening

You need to make appointments soon because the physician's offices do get booked up. In order to start school the immunization process must be completed. These records are turned into the state and are required to complete our assessments.

You can drop them off or send them to the school at:

Mayflower Heritage Christian School
604 E Townline St.
Creston, IA 50801
